

**Remarks/Arguments:**

This is a voluntary supplemental amendment. Claim 20 is amended by adding “continuously” to better distinguish the invention from the prior art. The change is supported by the specification at paragraphs [0040 - 0043], and Fig. 11. Also, “slot” has been corrected to “notch”.

Claim 27 has been canceled because it was redundant.

Respectfully submitted,

/Charles Fallow/
